### Women's Health Program Development:

The Jean Hailes Foundation for Women's Health in conjunction with PapScreen Victoria has developed this course with emphasis on rural practices. Specialist GP's and health professionals deliver the most current evidence based information about prominent women's health issues with emphasis on women at midlife.

### Support:

- Victorian rural GPs and registrars are eligible to apply to the Rural Workforce Agency of Victoria (RWAV) administered DHS CPD for rural GP subsidy program to subsidise registration, travel and accommodation costs.
- Doctors recruited under the Victorian Overseas Trained Doctors Rural Recruitment Scheme (VORRS) have their course fees fully subsidised & are eligible to apply to the RWAV administered DHS CPD for rural GP subsidy program to subsidise travel and accommodation costs.
- Please contact RWAV on (03) 9349 7800 or go to [www.rwav.com.au](http://www.rwav.com.au) for information on how to apply for subsidy.
